- Soak snow fungus firstly for at least 4 hours. Then move the yellow end. Hand shred into small chunks.
- Prepare a high pressure cooker or slow cooker, and then add enough clean water. Add snow fungus and crystal sugar in to cook for 20 minutes for high pressure cooker and at least 40 minutes for slow cooker.
- Then add red dates and wolfberry in to continue cook for 5 to 10 minutes.

The concept of desidn is concise, so I choose the Flat design style. Because of this design has a clear visual effect, it is used between the elements of a clear hierarchy and layout, which allows users to intuitively understand the role of each element as well as interactive mode.
